Hosta 'Munchkin Fire'	New Miniature - short and narrow yellow leaves which hold their color the entire season - lavender flowers
Hosta 'Neptune'	This unique blue hosta forms a lovely cascading clump of narrow wedge-shaped leaves. Ht. 24" W. 36"
Hosta 'One Last Dance'	Sport of 'Dancing Queen' with dark green centers and very wide yellow margins - pale lavender flowers
Hosta 'Orange Marmalade'	Newer sport of 'Paul's Glory' with a yellow center edged with orange-green border - 18" tall
Hosta 'Pandora's Box'	Very popular dwarf hosta with bluish margins surrounding white centers - 2"x5"
Hosta 'Patriot'	Wide white margins surround rich green centers - 23"x50" - fast growth rate
Hosta 'Pocketful of Sunshine'	This cute small hosta grows quickly to form a compact clump of chartreuse to yellow cupped leaves. (S)

Hosta 'Popcorn'	small - unusual leaf form - long, narrow green leaves with "strap like petioles" - lavender flowers
Hosta 'Praying Hands'	Very unique growth habit as the leaves point upward almost touching each other
Hosta 'Rainbow's End'	Yellow centered sport of 'Obsession' with very thick rubbery leaves and unique red scapes
Hosta 'Rainforest Sunrise'	Thick gold leaves are surrounded by a dark green margin - pale lavender flowers
Hosta 'Raspberry Sundae'	Compact with beautifully variegated leaves and striking deep burgundy petioles, leaf bases, and flower (S)
Hosta 'Rippled Treasure'	Bluish early, changing to medium green early summer. Heavily rippled. (M)
Hosta 'Sagae'	Wonderful specimen - vase shaped upright growth - 30"x70" - green w/ gold edge - faster growth than 'Liberty'
Hosta 'School Mouse'	Sport of 'Church Mouse' - has a clearly defined yellow margin on thick wax-like leaves - small 8"x14" - lavender flwrs
Hosta 'Seducer'	This showy hosta has large, dark green leaves with a slightly ruffled, gold margin. Ht. 26" W 40"
Hosta 'Sugar Daddy'	Giant sport of 'Big Daddy' large cupped blue-green leaves with white streaks and margins - white flowers - 40"x24"
Hosta 'Sum & Substance'	Classic huge gold leaf hosta - # 1 on popularity polls - 32"x80" - slug resistant - great specimen plant
Hosta 'Sun Mouse'	Golden form of 'Blue Mouse Ears' but a little bit shorter and wider. Best with morning sun to enhance color.
Hosta 'Sunset Grooves'	A small sport of 'Rainforest Sunrise' - thick yellow leaves with a wide dark green margin - lavender flowers 12"x28"
Hosta 'Surfer Girl'	Green leaves 3 ½" long by 2" wide; medium green; rippled; smooth texture; average substance (S-M)
Hosta 'Tootie Mae'	Medium hosta with heavily corrugated, rounded blue leaves with a wide yellow margin - white flowers - 16"x18"
Hosta 'Touch of Class'	Very attractive sport of 'June' - thick waxy leaves that are held more upright than June
Hosta 'Volcano Island'	Tetraploid sport of 'Paradise Island' with thicker leaves and wider variegation - purple flowers - 15"x24"
Hosta 'Vulcan'	Sport of 'Captain Kirk' that differs by having a white leaf center. Bright white leaves
Hosta 'Waterslide'	Wavy ruffled leaves with heavy substance - blue rippled leaves hold there color well into the summer season - large
Hosta 'Wheee'	Ruffled, cream colored margins extend from the tip of each green leaf all the way down the petiole to the crown.
Hosta 'Whirlwind'	Stunning variegated hosta with a twist to the leaf - our top selling hosta over the passt 20 years
Hosta 'White Feathers'	Very unique hosta displaying near white foliage early in the season - foliage eventually turns green with wt stripes
Hosta 'Wiggles and Squiggles'	Bright yellow leaves are very long and thin forming a low wide habit - leaves are more chartreuse green in shade
Hosta 'Wrinkle In Time'	Sport of 'Pilgrim' with wavy margins -dark green leaves with creamy margins - lavender flowers - small - 9"x15"
Hosta Wu LA LA'	Sport of 'Empress Wu' with the same size but having a wider more prominent margin - blue-green leaves - very large
Hosta 'Yellow Polka Dot Bikini'	Sport of 'Striptease' that emerges with bright yellow margins and dark green centers
Hosta'Fire and Ice'	Very showy reverse sport of the popular "Patriot' hosta. - pure white centers with a dark green margin
Huernia 'Zebrina'	Succulent-low-growing perennial succulent species more or less creeping, occasionally forming mats - Unique flrs
Hydrangea 'Firelight'	5' tall hydrangea with flowers that emerge white and eventually progress to a striking red color late in the season
Hydrangea pan. 'Little Lime'	A new dwarf form of the ever popular 'Limelight'. Great same size flowers but at one-third the size. Ht 3-5ft
Iris pumila 'Orange Capers'	Diminutive iris with orange flowers on very low 10" plants - blooms earlier than the giant bearded iris
Iris 'Cherry Garden'	Early blooming dwarf iris maturing at 16" - cherry maroon stqandards and falls with a purple beard - needs good drainage
Iris 'Earl of Essex'	Mid to late season, large fragrant white flowers that are heavily veined and stippled - ability to rebloom - Height to 35"
Iris ensata Lion King	Gigantic 7 to 8" flowers are fully double - grows to 4' tall and needs moist conditions - purple edged flowers with white centers
Iris Enseta 'Eileen's Dream'	Japanese Iris - Graceful large dark-maroon double flowers that are splashed with yellow signals - needs a moist acidic location
<b>Iris Enseta 'Ice Cream'</b>	Flowers are periwinkle blue with white edges - 32" tall - need moist conditions to do well -some fragrance - mid summer bloom
<b>Iris ger. 'Pink Attraction'</b>	Light pink colored with a streak of violet and an orange beard - 30" tall and sweetly fragrant
Iris germanica aureo. (yellow)	Attractive yellow and green variegated foliage with darker blue flowers in June - better vigor than Iris pallida
<b>Iris germanica 'Oui Madame'</b>	Lavender puple flowers with fade to a soft lilac as they age - falls have white centers and a bright orange beard
<b>Iris germanica 'Starring'</b>	Snow white standards with a faint blush of lavender over the dark, purple-black falls - burnt orange beard - 24 to 36" tall
Iris 'Harvest of Memories'	Midseason - large slightly fragrant bright yellow flowers - has the ability to rebloom - taller cultivar growing to 38"
Iris 'His Royal Highness'	Midseason - large slightly fragrant bright yellow flowers - has the ability to rebloom - taller cultivar growing to 38"

Iris pallida	Attractive green and white variegated foliage - blue-purple flowers in June add to the interest - great landscape plant
Iris sibirica 'Pink Parfait'	Very desirable pink-lavender double blooms on this siberian iris - prefers a moist soil and does well in part shade
Juniper communis 'Gold Cone'	Upright narrow habit- golden new growth fading to bluish-green in winter - height 3 to 5' and only 2' wide
Juniper 'Shimpaku'	Foliage color is beautiful dark mint green all year round. Full sun preferred. Height 1ft
Kalimeris 'Blue Star'	1" single pale-blue flowers on a compact mound of green all summer - loves heat and humidity - drought tolerant-18"
<b>Lamium 'Becon Silver'</b>	Silvery white leaves with green edges - vigorous but attractive groundcover - purple flowers - grows in sun or shade
Lamium 'Herman's Pride'	Unusual mounding habit -silver veined green leaves -prefers some afternoon shade - yellow flowers in early summer
Lamium 'Purple Dragon'	Spreading patch of small silver leaves with a wide green edge - purple flowers early summer - tolerant of dry shade
Lavandula 'Super Blue'	It's short spikes packed with aromatic, deep blue florets. Blooming June to September. Ht. 12"
<b>Lavender 'Platinum Blonde'</b>	broad gray-green variegated leaves that boast a sweet fragrance and purple bluish flowers
Lavendula 'Big Time Blue'	Vivid purple blooms are twice the normal size on plants only 12 to 20" tall - fragrant flowers with a long bloom season
Lavendula 'Phenomenal'	Forms a very uniform dense mound of silvery green foliage topped with rich lavender flowers - grows from 24 to 32" flowers
<b>Leontopodium</b>	commonly called edelweiss - clumping woolly perennial growing 6" tall and eventually forms a colony
Leucanthemum 'Becky'	Large white daisies with yellow centers bloom in mid summer over shiny dark green foliage - very sturdy stems - 30" tall
Leucanthemum 'Snowcap'	The best of the short daisies - long lasting pure white flowers on top of sturdy dark green foliage maturing at only 16" tall
Leucanthemum 'White Lion'	Single flowering white shasta daisy - 8 to 10" tall and wide - long bloom season
<b>Lewisia 'Constant Comment'</b>	Succulent perennial forms compact rosettes with short panicles of large rose pink flowers - treat as a houseplant in winter
Lewisia 'Elise'	Glorious shades of soft and vivid pinks, rose, salmon, white, yellow, orange, soft purple and lovely bicolor pattern
Lewisia 'Elise Ruby Red'	A solid colored reddish-pink lewisia - repeat bloom cycles during the summer - may overwinter if the soil remains dry
Liatris 'Kobold '	Good choice for mid-summer color - 24" flowers are purple - very hardy & easy
Liatris spicata alba	Upright stems, clothed in whorls of fresh green narrow leaves, topped by white fluffy flowers
Ligularia 'Little Rocket'	very compact habit - thick serrated green leaves with yellow flower spikes on dk stems
Lilium asiatic 'Heart Strings'	Tall asiatic lily up to 48" - peachy yellow flower centers with raspberry pink tipped petals - long blooming - easily grown
Lilium 'Conca d Oro'	Huge clear yellow with a lighter yellow tips. Very fragrant. Ht. 36-42"
<b>Lilium mart. 'Fairy Morning'</b>	Peachy coral flowers - moderate shade to full sun - early summer bloom - 3' tall - clump forming
Lilium mart. 'Orange Marmalade'	4' tall stalk adorned with up to 30 outfacing, 2.5" wide, lightly fragrant, bright orange flowers.
<b>Lilium Mart. 'Slates Morning'</b>	Pendulant flowers highlighted by a bright yellow eyezone and small cinnamon spots - light shade and good drainage are ideal
<b>Lilium mart. 'Snowy Morning'</b>	Vigorous bulb perennial with whorled leaves and racemes of pure white turkscap flowers. Ht. 2'
Lilium martagon 'Claude Shride'	Dark red-mahogany flowers carry their color in the spots that peak through the orange of the flower centers.
Lilium 'Matrix'	Compact lily growing to 18" tall - fiery red with orange brush marks - good bud count
<b>Lilium 'Night Rider'</b>	Cross between a trumpet lily and asiatic - extremely dark flowers are actually violet-black - grows to 4' tall - little fragrance
Lilium oriental 'Mona Lisa'	Often called the 'Pink Stargazer' - a very short cultivar with soft pink blooms that are very fragrant - can tolerate partial shade
Lilium OT 'Debby'	Spectacular OT lily growing to 5' tall - Deep red centers with orange tips - very fragrant - develops full maturity in its' 3rd season
Lilium 'Tiny Ghost'	Bold burgundy trumpet-shaped flowers with plum purple throats at the ends of the stems in summer
Lilium 'Tiny Padhye'	White with burgundy brush marks, spectacular color contrast. Ht. 16-18"
Lilium 'Triumphator'	Stunning color combination. Huge trumpet- like white flowers with almost maroon centers. Ht 60"
Lillium 'Century Joy'	Beautiful rose-pink blooms with a generous splash of deep purple at the center and following up the edges. 16"
Lillium 'Cogoleto'	Beautiful rosy-pink flowers adorned with a stunning array of deep burgundy-rose freckles
Lillium 'Empoli'	Red-pink to dark pink, large 8" flowers with golden-yellow, star-shaped centers - 10 flowers per stem
Lillium martagon 'Arabian Knight'	Pendant, deep russet-red Turk's Cap flowers with rich golden brushmarks overlaid with mahogany-red
Lillium martagon 'Pink Morning'	Light pink pedulant flowers appear in June - prefers afternoon shade - clumps form after several seasons
Lillium martagon 'Sunny Morning'	Hybrid with its racemes elegantly covered with bountiful golden-orange blossoms-dark spots

Lillium martagon 'Terrace City'	A seldom offered lily - speckled yellow flowers with orange spots - up to 20 flowers per stalk - best in morning sun
Lillium 'Zambesi'	Fragrant, long lasting, pure white flowers with a greenish-yellow midrib-lt flowers in mid to late summer
<b>Lily 'African Lady'</b>	Spectacular OT Lily growing to 5' tall - red center with yellow edges - was in very high demand here last year - very large blooms
Lily Asiatic 'Njoyz'	Huge pink flowers with purple-white centers - matures at 35" tall - easy to grow hardy garden lily - not fragrant
Lily Looks 'Tiny Epic'	A dramatic color combination with dark burgundy flower centers and creamy yellow tips - 5 to 7 flowers per stem -14"
Lily Looks 'Tiny Ink'	A stunning color combination with dark burgundy centers and red tips - these lilies are very compact at 14 to 16" tall
<b>Lily martagon 'Sunny Morning'</b>	Pendant bright yellow turk's cap flowers with brick red markings - best grown in shade or filtered sun
Lily OT 'Exotic Sun'	Huge 8" upward facing double yellow blooms, glossy green leaves - produces 2 to 3 flowers per stem - fragrant - 48"
Lily OT Tabledance	Large, upright, showy pink buds that open to large pink flowers with white centers. It is very fragrant- 40" tall
<b>Lily 'Perfect Joy'</b>	Compact grower with deep-green foliage bearing bright pink flowers with large white eyes - mid summer bloomer
<b>Lily 'Sunny Martinique'</b>	Attractive dark green foliage - with xtra large dark pink flowers with a white margin - oriental lily - fragrant
Lily 'Tiny Double You'	Large, upfacing double orange flowers. This dwarf perennial grows 14 inches tall and prefers full sun
<b>Lupine mini Gallery Mx</b>	A very compact lupine with a mixture of colors - grows best in lighter sandy soils
Lychnis ark. 'Orange Gnome'	Dwarf 8" bronze foliage - intense bright orange flowers - long bloom season - slow to emerge in spring
Lysmachia (gold moneywort)	Showy groundcover for sun or shade - tends to be more yellow in sunlight - somewhat aggressive
Monarda 'Cherry Pop'	Vigorous but not invasive monarda for the center of the border - mildew resistance - cherry red flowers - 20" tall
<b>Monarda 'Electric Neon Coral'</b>	New introduction - soft shade of pink - flowers can measure 3" in diameter
<b>Monarda 'Fireball'</b>	Blooms in mid-summer with compact spikes of bright, scalet red flowers - aromatic glossy green foliage - to 20" tall
Monarda 'Grape Gumball'	Same characteristics as 'Cherry Pop' but with vibrant magenta flowers - long bloom season - 20 to 24" tall
Monarda 'Pardon My Cerise'	Proven Winner - Compact bee balm with dark cherry pink flowers blooming during the heat of summer. 16"
Mukgenia 'Nova Flame'	Featuring dark-purple flowers blooming throughout the spring and colorful, leathery and jagged-edged
<b>Mukgenia 'Nova Flame'</b>	A hybrid cross between mukdenia and bergenia - dark thick, glossy leaves turning reddish bronze in the fall - pink flowers
Nepeta 'Cat's Pajamas'	A small scale, early blooming nepeta - ball-shaped foliage is covered with long dark flower stems & blue flowers
<b>Nepeta 'Kitten Around'</b>	a small catmint that is well behaved in the perennial garden - periwinkle blue flowers - aromatic
Oenothera tetra fruticosa	Native perennial - day flowering - small yellow butter-cup flowers 1.5' tall
Pachysandra terminalis	Shrubby evergreen groundcover which grows 8 to 12" high - spreads by rhizomes - green glossy leaves -white flowers
Paeonia 'Fairy Princess'	This is a compact 22" tall hybrid which does not fall down in the rain - flowers are bright red with bright yellow stamens
Paeonia 'Petite Princess'	Diminutive peony with lavender-rose single blossoms - fine textured blue-green foliage - very early bloom time - only 18" tall
Paeonia 'Show Opener'	One of the first to bloom in spring - very bright true red flowers - the center has golden stamens and red tipped stigmas - 18"
Pap Princess Victoria Louise'	Similar to 'Brilliant' but flowers are a soft salmon pink in color - blossoms are a favorite of hummingbirds and butterflies - 24"
Papaver 'Crimson Red'	Red flowered oriental poppy - best grown in rich soils in full sun - cut back foliage after bloom
Papaver orientalis 'Brilliant'	Vivid orange-red petals brighten up the late spring garden - foliage may be cut back shortly after flowering for a cleaner look
<b>Papaver 'Prince of Orange'</b>	Huge bright orange flowers for 3 weeks during mid-summer - long lived and hardy perennial
Papaver 'Royal Wedding'	Large pure white flowers in late spring - centers are an attractive purple-black - 30" tall - cut back yellowing foliage
Pardancanda 'Dazzler Series'	Dwarf strain with swordlike foliage produces 1 1/2 flowers in rich hues of yellow, orange, red, pink&lavender
Penstemon 'Black Beard'	Incredible dark eggplant purple foliage - lilac purple flowers with white flaring tubes - stays strictly upright all season
<b>Penstemon 'Rock Candy Pink'</b>	A tidy compact clump of green foliage topped by upright spikes full of bright -pink upright flowers
Peony 'Early Scout'	One of the earliest hybrid peonies to bloom - crimson single flowers are produced on attractive fern-like foliage
Peony 'Bartzella'	Spectacular cross of a herbaceous and tree peony - incredible large yellow flowers on sturdy stems - specimen plant
Peony 'Hanikisoi'	Tree peony - Huge double pink flowers - grows to 4' tall - hardy to zone 4
Peony 'High Noon'	Tree peony - Huge yellow flowers - grows to 4' tall - hardy to zone 4
Peony 'Houki'	Tree Peony - Large double red flowers - woody shrub to 4' tall - hardy to zone 4

Peony 'Kaoukamon'	Developes into a large woody shrub that needs no support - this cultivar is a very dark maroon - eventual height is 4'
Peony 'Red Charm'	Early, huge double red, bomb type flowers have heavily ruffled centers - strong stems but staking is recommended
Peony 'Renkaku' white	Large woody stems produce very large white flowers - no support is necessary due to the strong woody stems - 4'
Peony 'Early Bird'	A very early single red hybrid peony - flowers are very dark scarlet red with finely cut olive green foliage - dwarf variety
Peony 'Fairy Princess'	This is a compact 22" tall hybrid which does not fall down in the rain - flowers are bright red with bright yellow stamens
Peony 'Show Opener'	Dwarf rockgarden peony - bright red single petal ed flowers bloom early in the season prior to main peony season
Peony tenuifolia Rubra Plena	This is the famous and highly ornamental Japanese fern leaf peony - very fine foliage with double red blooms in May
<b>Phlox 'Baby Doll Pink'</b>	Bright pink flowers with a white halo on top of dark green foliage growing only to 1' tall - long bloom season
Phlox 'Bubblegum Pink'	Bubblegum pink blossoms are accentuated by dark pink eyes - this cultivar is very mildew resistant - 18"x 18"
<b>Phlox 'Candy Crush'</b>	Compact habit reaching only 10" tall - fragrant florets of bright pink flowers edged in snowy white - attracts butterflies
Phlox 'Danielle'	Fragrant, pure white blooms. Green foliage, extremely mildew resistant. Drought tolerant. Ht. 26"
<b>Phlox 'Fort Hill'</b>	Creeping phlox - very early bloom - slightly fragrant pink flowers with a dark red center
<b>Phlox Luminary Opulescence</b>	aromatic pink flowers with dark pink eyes on dark green folige - 30" tsll - long blooming and long lived perennial
Phlox pan. 'Laura'	30" tall -mildew resistant - lavender purple flowers with a white star center - strong stems
Phlox 'Red Riding Hood'	Vivid clusters of fragrant, cherry red flowers - compact variety which attracts butterfles and hummingbirds
Phlox 'Scarlet Flame'	Moss-like foliage with bright pink flowers having a reddish center - early season bloomer - grows only 6" tall
<b>Phlox 'Younique Orange'</b>	Large blossoms over compact, dwarf foliage - salmon orange blooms in mid-summer
Picea glauca Echiniformis'	Miniature conifer - dwarf spruce with a gumdrop shape when young - grows 2"/year - 1.5'x 1.5' at maturity
Platycodon 'Pop Star Blue'	Plants have large, puffy buds resembling balloons that open to bell-shaped flowers - very long bloom time - late emergence
Platycodon 'Pop Star Pink'	Similar characteristics to 'Pop Star Blue' but flowers are a soft pink - compact plants in this series only grow from 6 to 8 inches
Pole. 'Bressingham Purple'	Purple fern like foliage in spring and again in the fall - deep lavender-blue flowers appear in late spring - 15" tall - part shade
<b>Polemonium 'Brise d' Anjou'</b>	Erect, clump forming Jacobs Ladder with clean variegated leaves and blue flowers
Polygonatum fal. variegated	Slow clumping woodland plant with showy variegated foliage and white flowers in early summer
Pulmonaria 'Moonshine'	Shimmering silver leaves feature neat dark green edges early on, then become prettily speckled with green
Pulsatilla vulgaris	Large purple bell-shaped flowers and fine cut lacy foliage. Ht. 10" - Seed heads are very ornamental
Pulsatilla vulgaris rubra	Lacy foliage with deep wine-red flowers blooming very early in the season -seed heads remain attractive after bloom
Rosa 'Parade Karina'	Compact miniature rose growing to only 10" - large deep red flowers which will repeat during the growing season - zone 5
Rosa 'Parade Cho'	Compact miniature rose growing to only 10" - double deep yellow flowers repeat during the growing season - zone 5
Rosa 'Parade Lamy'	Compact miniature rose maturing at 10 to 12" - large mauve buds and flowers on deep green foliage - Zone 5
Rosa 'Parade Tena'	Compact miniature rose growing to 12" at maturity - pink buds and flowers repeat several times during the growing season.
<b>Rose 'Patio Hit Dora'</b>	Compact bushy habit - double orange-red blooms - dark shiny leaves - introduced in 2017
<b>Rose 'Patio Hit Fiesta'</b>	Light red to deep pink double flowers - bushy growth habit - dark and shiny foliage
Rudbeckia 'Goldstrum'	Golden yellow, daisy-like flowers have a distinct yellow cone. Long blooming. Ht. 30"
Rudbeckia 'Little Goldstar'	A dome of star-shaped, 2", golden yellow blossoms. Bushy clump of rich green foliage. Ht 16"
Sagina subulata (Irish Moss)	Green leaf form of Corsican pearlwort - best with moisture in shady conditions - center may die out over the winter
Sagina subulata aurea	Golden form of Corsican pearlwort - prefers moist shade or partial shade conditions - center may die out over winter
<b>Salvia Back to Fuschia</b>	Colorful perennial produces fuchsia pink flower spikes atop the neatly mounded, aromatic foliage - attracts butterflies
Salvia 'Blue Marvel'	Largest flowers of any nemorosa variety - large spikes of deep blue flowers - compact and long blooming - 10 to 12"
Salvia nemorosa 'Caradonna'	Very unique purple stems compliment the violet blue flowers - grows to 24" tall
Salvia 'Rose Marvel'	Largest pink flowers of any pink salvia - deep rose blooms in early summer - cut back after bloom to encourage re-bloom - 12"
<b>Salvia 'Salvatore Blue'</b>	New salvia produced from seed - large spikes of deep blue-purple - compact habit only 10" tall
Sedum 'Atlantis'	Beauffully variegated groundcover sedum - small, serrated leaves are dark green with a wide creamy yellow margin

Sedum 'Autumn Charm'	A variegated form of the famous 'Autumn Joy' - redish pink flowers in the fall - variegation is very stable
Sedum 'Autumn Delight'	Large, bright-pink clusters of flowers are accentuated by lime-green leaves with a dark-green serrated edge
Sedum 'Chocolate Ball'	Short mounding sedum with Chocolate-red foliage is feathery and contrasts dramatically with the yellow bloom.
Sedum 'Dark Magic'	Stunning dk-purple leaves and stems and huge pink-purple flower panicles in fall, on multiple crowns
Sedum 'Dream Dazzler'	Colorful tri-colored leaves emerge in spring with centers turning purple in summer sun - 15" tall
Sedum John Creech	The small, scalloped green leaves of this weed-smothering groundcover are topped with pink flowers in fall.
Sedum 'Lime Twister'	A variegated sport of 'Lime Zinger', succulent bright green leaves with bold cream-colored edges on every leaf.
Sedum 'Little Miss Sunshine'	Groudcover type of sedum - incredibly dark green glossy foliage with tiny yellow flowers in summer - 6 to 8" tall
Sedum 'Mini Ewersii'	Nice compact groundcover sedum with blue to reddish-bronze foliage to 6"
Sedum nevii	Tropical sedum - zone 10 - low carpet of thick, silvery grey leaves blushed with bronze during the summer
Sedum 'October Daphne'	Arching stems with whirls of thick blue-green succulent leaves tinged pink near the edges
Sedum 'Ogon'	Tiny leafed sedum, noted it for its bright gold foliage. Star-like yellow green flowers in summer. Ht. 2" <b>not hardy</b>
Sedum 'Red Carpet'	Valued for its dense, ground hugging carpet of red foliage turns a deeper shade of red in cool weather -pink blossoms
Sedum rubrotinctum aurora	Short leaves resembling beans that turn from green to bronze-red under stress. Yellow flowers - <b>Zone 9</b> - poisonous
Sedum rubrotinctum 'Mini Me'	Succulent- very short leaves resembling jelly beans that turn from green to bronze under stressful conditions - z9
Sedum 'Thundercloud'	Gray-green foliage has pointy edges and nicely textured. Blooms are white to soft pink, star-like bursts. 10"
Sedum 'Tokoyo Sun"	Fine, bright gold foliage with prostrate habit. A must have for the trough garden. Ht. 2" - <b>tender succulent</b>
<b>Sedum 'Wildfire'</b>	Ruby-red petals edged in hot pink - late summer blooms are pink - more sun will produce brighter foliage
Sedum-Tri Color	Features fleshy green leaves edged in white, taking on a pink blush in cooler weather.
<b>Semp. 'Twilight Blues'</b>	Showy silvery blue cultivar that can flush pink to purple - medium to large rosettes - needs good winter drainage
Sempervivum assortment	We offer over 25 different cultivars - especially showy during the cool season - keep dry
Sempervivum 'Oddity'	Very unique "hen and chick" that has tubular leaves - hardy but keep dry in the winter - red edge in cooler weather
Senecio rowleyanus	Strands of pearl-shaped, green beads hang from this trailing, succulent plant. Ht 10-12" - <b>zone 9</b>
Sisyrinchium 'Lucerne'	Narrow iris-like mound of foliage is topped with violet-blue flowers with a yellow throat - grows to 8" tall
Spirea 'Golden Elf'	Most compact of all the yellow foliaged spireas - grows only 6 to 8" tall - great miniature landscape plant - zone 4
Stachys 'Densiflorus'	Very dense, compact rosettes of glossy green foliage show off the lavender-pink flower spikes. Ht. 10"
Stachys 'Hummelo'	Sturdy spikes of lavender flowers shoot up from the foliage on tall stalks to 20" tall
Stokesia 'Peachies Pick'	Fringed flowers are lavender blue with whitish centers. Extremely floriferous. Height 14"
Thymus Minus	Pours itself between rocks and other plants to form a tight rug of small overlapping gray-green leaves. Pink flower
Thymus pseudolanuginosus	(aka wooly thyme) Soft fuzzy gray-green leaves that are very aromatic - pink flowers in summer - 1" tall
Tiarella 'Sugar and Spice'	Glossy deeply dissected leaves with dark centers - pink and white flowers - 13" tall
Tricyrtis form. 'Dark Beauty'	Deep purple flowers - aka 'Toad Lily' - late to break dormancy - prefers shade and rich soil - very late blooming
TRICYRTIS form. 'Gilt Edge'	Compact shade-loving perennial - dark green leaves bordered with creamy yellow edges - unique pink flowers late in the season
Tricyrtis 'Samurai'	Luminous foliage of shiny lance shaped dark green leaves with golden yellow margins - purple flowers appear late in the season
<b>Tricyrtis 'Seiryu'</b>	The 2' high stalks are topped with openly branched terminal clusters of white flowers speckled with burgundy spots
<b>Tricyrtis 'Sinonome'</b>	Shade loving perennial of vase shaped habit with long slightly arching stems - white flowers heavily speckled with ruby spots
Trollius 'Golden Queen'	Produces 3" wide golden-orange bowl shaped flowers in early summer - dark green foliage - best in moist soils - sun or pt shade
Veronica 'First Love'	Brilliant, nearly fluorescent pink flowers on tapered spikes - cut back to encourage re-bloom - 10" tall
Weigela 'Sonic Bloom Red'	Proven Winners - medium sized shrub with red flowers that bloom heavily in June and then periodically - 4 to 5' tall
	<b>New Varieties for 2021 are in Bold</b>
