

**Rose Hill Gardens 2022 Plant listing**

Aeonium 'Kiwi'	Dazzles the garden with a kaleidoscope of pinks, oranges and greens. Pale yellow flowers in summer. Ht 6-12" <b>Z9</b>
Ajuga 'Black Scallop'	A very crinkled, dark-leaved ajuga for groundcover applications - blue flowers early in the season
<b>Alchemilla 'Alpina'</b>	
Allium 'Summer Beauty'	Long blooming with large terminal clusters of lavender-blue flowers, glossy dark green narrow foliage.
Allium albidum	Very diminutive narrow leaves on a short plant producing tiny white flowers in mid-summer
Allium 'Globemaster'	This is the giant 8" purple allium - foliage will go dormant during the heat of summer - Early summer bloom
Allium 'Ivory Queen'	This extraordinary allium is a must have for all rock gardens!. Its white to pale pink blooms are 5-6" in diameter
Allium 'Lavender Bubbles'	Dark dusty purple flower globes are produced above attractive glaucous blue foliage. Leaf blades twist and curl - 14" tall
Allium maximowiczii alba	This is not only beautiful in bloom in mass but has lovely grey foliage that's attractive even when not in bloom
Allium 'Millenium'	Very hardy and reliable - purple-pink flowers in mid-summer - deer and rabbit resistant - 12 to 18" tall
Allium senescens 'Glaucum'	Nice border or edging perennial with interesting twisted leaves - pink flowers in August - only 6" tall
Amsonia 'Storm Cloud'	New stems emerge near black with silver veining - light periwinkle-blue flowers are quite persistent - grows 24 to 30"
Anacampseros rufescens	Succulent- Interesting reddish-dark green succulent rosettes - great plant for troughs and container gardens
Anemone 'Jasmine'	A single dark-leaved cultivar with dark pink flowers - compact growth habit - large flower count - 16" tall - sun or part sun
<b>Antennaria dioica 'Rubra'</b>	
<b>aptenia cordifolia 'Crystal'</b>	
Aquilegia alpina	Deep blue, short-spurred flowers in May and June. Ht. 16" - readily re-seeds after bloom season
Aquilegia 'Cardinal'	Rosy-red and white bicolored flowers - flowers are upward facing
Aquilegia 'Leprechaun Gold'	Striking gold and green marbled foliage - red flowers - hardy to zone 4 - excellent in sun or partial shade
<b>Aralia 'Sun King'</b>	
Arenaria 'Nifty Thrifty'	Pink ball-shaped flowers bloom just above attractive green and white variegated foliage - 6" tall -hardy to zone 4
Armeria maritima 'Bloodstone'	Longest blooming sea pink - very compact - pink flowers in early summer - remove spent flowers for spotty re-bloom
Artemisia 'Silvermound'	Grown strictly for its soft mounding silvery foliage - cut back in mid-season to keep its mounding habit - 10" tall - very hardy
Aruncus aethusifolius	Diminutive form of goats beard only 8" tall - white flowers - nice border plant - tolerates sun or shade
Aruncus 'Misty Lace'	Medium sized perennial boasting creamy white feathery plumes - tolerant of hot and humid summer conditions
Asarum europaeum	Very glossy attractive groundcover for the shade - hard to find in retail - dark green leaves slowly form beautiful clumps
Asclepias tuberosa	A virtually hassle-free perennial, offering 3 months of tangerine orange blooms. Height 24"
Astilbe 'Chocolate Showgun'	Glossy chocolate brown leaves, bright pink flowers make a stunning contrast to the foliage - 20" tall - mid-season
Astilbe 'Henie Graafland'	A dwarf astilbe with showy plumes of unique, star-shaped pale rose flowers that last for many weeks
<b>Astilbe 'Key Largo'</b>	
Astilbe 'Montgomery'	Blood-red flowers on upright spires - one of the earliest red astilbes to bloom - vigorous grower - 20" tall - very hardy
<b>Belamcanda chinensis</b>	
Belamcanda 'Hello Yellow'	AKA Blackberry Lily - Profusion of bright yellow, star shaped flowers that bloom in late summer - seed pots are attractive also

Berginia 'Spring Fling'	Compact clump forming evergreen perennial with bright magenta pink flowers in mid-spring - glossy leathery leaves
Brunnera 'Alexander's Great'	Gigantic clumps carry bushel basket-sized leaves with silver-flecking. Ht. 30"
Brunnera 'Jack of Diamonds'	A giant version of the classic 'Jack Frost' - leaves have a heavy overlay of silver with dark green veining - blue flowers in spring
Brunnera mac.'Jack Frost'	Outstanding foliage plant - unique patterned leaves - blue flowers early summer - best in morning sun
Brunnera 'Queen of Hearts'	More heart-shaped leaves and narrower green veining than 'Jack of Diamonds'- New release - dainty blue flowers in spring
Brunnera 'Sea Heart'	An improved Jack Frost with larger heart-shaped leaves and more pronounced variegation, more heat resistant
Brunnera 'Variegata'	Green and white attractive foliage with tiny blue flowers during early summer - trim back flower stalks after bloom
Calla 'Red Charm'	Spectacular blood-red flowers above dark green foliage with white spotting - 18" tall - dig bulbs and store for winter
Calla 'Sun Club'	Showy yellow flowers in mid summer - dig bulbs and store for the winter
Calluna vulgaris	A small evergreen shrub - hardiest of the heathers - makes a dense mat forming groundcover - zone 5
<b>Campanula 'Clips Blue'</b>	
<b>Campanula 'Pearl DeepBlue'</b>	
<b>Campanula 'Pearl White'</b>	
<b>Chelone 'Tiny Tortuga'</b>	
Cimicifuga 'Chocoholic'	New Release- Half the size of Hillside Black Beauty with the same purple-black foliage Ht. 2-3ft
Clematis 'Olympia'	Purple blooms with faint magenta bars
<b>Clematis 'Abilene'</b>	
Clematis 'Hyde Hall'	Compact deciduous climber with luminous creamy-white flowers 5 to 7 inches across
Clematis 'Ines'	Compact free flowering clematis producing 4" flowers that are lavender-blue with ruffled edges - a repeat bloomer in fall
<b>Clematis 'Ines'</b>	
Clematis 'Josephine'	6 to 8" base petals which are almost bronze, tinged with green and a darker bar - inner petals are lilac with a pink bar
Clematis 'Liberation'	Large 6" deep pink flower with a broad cerise central bar and contrasting yellow anthers - very strong grower
Clematis 'Nubia'	5" dark red flowers and dark red anthers - grows from 3 to 5 feet
<b>Clematis 'Parisienne'</b>	
<b>Clematis 'Paulie'</b>	
<b>Clematis 'Picardy'</b>	
<b>Clematis 'Rebecca'</b>	
Clematis 'Sweet Autumn'	This clematis is unique as it blooms in the fall - many white flowers
<b>Coreopsis nana</b>	
Coreopsis 'Zagreb'	More compact and bushy form, fern-like foliage - bright golden-yellow flowers with a long bloom season, 15" tall
Crocsmia 'Lucifer'	ZONE 5 - Gladiola type foliage with brilliant red flowers in late summer - mulch heavily for the winter
Delosp. sphalmanthoides	Tiny, finger-like leaves grow in tight mat that is smothered with fuchsia flowers in very early spring.
Delosperma Echinatum	<b>Tender succulent</b> - aka 'Pickle Plant' - unique bristly leaves produce small yellow flowers in summer
Delosperma 'Firespinner'	Incredible tricolor, nickel-sized flowers are orange with a hot pink ring around a white eye - dense mat of green succulent foliage

Delosperma 'Fushia'	Large bright flowers - dense ground-hugging mat-like habit - drought tolerant
Delosperma 'Orange'	Orange flowers
Delosperma 'Pink'	Pink flowers
<b>Delosperma yellow</b>	
Delph. 'Dk Blue Black Bee	Very compact plant with sturdy stems only 18" tall - dark blue flowers with black centers - long blooming cultivar
<b>Delphinium 'Blue Butterfly'</b>	
Delphinium 'Lt Blue White Bee'	Genetically dwarf delphinium - light blue flowers with white centers flowers will begin to spike in June - 18 to 20"
<b>Delphinium 'Summeer Nights'</b>	
Delphinium 'Summer Cloud'	Low growing short-lived perennial with loose sprays of single, spurred vibrant deep-blue flowers with white centers
<b>Dianthus 'Double Bubble'</b>	
<b>Dianthus 'Edgehog'</b>	
Dianthus 'Electric Red'	Rich red double flowers are held on sturdy stems above the attractive blue-green foliage - 8" tall - hardy to zone 4
<b>Dianthus 'Fire Star'</b>	
Dianthus 'Firewitch'	2006 Perennial Plant of the Year - long flowering hybrid of pink flowers on a tight mat of blue green foliage
Dianthus 'Neon Star'	Tight 7" mounds of blue-gray foliage - heavy bloom during cooler weather - very bright pink flowers long blooming
Dicentra 'Gold Heart'	Stunning spring color with brilliant gold foliage and rosy-pink heart-shaped flowers. Ht. 24-30"
Dicentra 'King of Hearts'	Very compact blue-grey foliage carrying pinkish-red flowers through the summer
Dictamnus albiflorus	Gas plant- spikes of unique, white, aromatic flowers in June. Very slow growing. H 2', W 2' Zone 3
Dictamnus albus 'Purpureus'	Gas plant- Dark veined, pink flowers. Long lived flowers. H 30", W 24" Zone 3 - avoid skin contact when pruning
<b>Digiplexis 'Flame'</b>	
Draba aizoides	Rock garden plant - small green cushions topped with yellow flowers in early spring - well drained soil
Echeveria 'Perle Von Numberg'	Succulent- rosettes are glazed with translucent pink and purple - very popular succulent - grows to 6" - <b>zone 9</b>
Echinacea 'Adobe Orange'	Large , 4.5" attractive , vibrant tangerine-orange flowers with a dark cone - 16 to 18" tall - nice basal branching
<b>Echinacea 'Baja Burgundy'</b>	
Echinacea 'Fatal Attraction'	Unique characteristic is the near black stem - purple rays are slightly upturned - compact growth habit - fragrant
<b>Echinacea 'Fiesta Orange'</b>	
Echinacea 'Granda Gold'	Golden yellow overlapping flowers contrast nicely to the very dark green leaves - height is 18 to 22 inches
Echinacea 'Kismet Raspberry'	New Release- Raspberry-pink flowers on compact and sturdy foliage - long blooming - height around 16"
<b>Echinacea 'Kismet Yellow'</b>	
<b>Echinacea 'Lemon Yellow'</b>	
<b>Echinacea 'Price is White'</b>	
Echinacea 'Sombrero Hot Coral'	3" coral-pink flowers with a copper colored central cone - this is a compact cultivar growing only 18 to 24" tall
Echinacea 'Sombrero Poco Yellow'	Sturdy compact plants - bright yellow non-fading blooms - long bloom season beginning in July
Echinacea Sombrero 'Salsa Red'	Softly fragrant, spicy orange-red blossoms with an orange-brown cone - long blooming and compact at 24" tall

<b>Echiveria 'Blue Curls'</b>	
<b>Echiveria 'Derosa'</b>	
<b>Epimedium 'Amber Queen'</b>	
Epimedium 'Pretty in Pink'	Lowers have white spurs, rose-pink backs and deep rose centers - tolerant of dry shade once established
<b>Epimedium rubrum</b>	
<b>Epimedium 'Sulphureum'</b>	
Euphorbia 'Bon Fire'	Exciting new perennial cultivar in high demand - very dark foliage with golden flowers in Late May
<b>Fern 'Cristata The King'</b>	
<b>Fern 'Godzilla'</b>	
<b>Fern 'Lady in Red'</b>	
<b>Fern 'Regal Red'</b>	
Festuca 'Cool As Ice'	Icy, blue grey foliage holding its color nicely throughout the season - best planted en masse
<b>Gaillardia 'Red Starburst'</b>	
Gaillardia 'Arizona Red Shades'	Compact and self branching crimson-red flowers - foliage is 10 to 12" tall - often comes back from seed
Gaillardia 'Arizona Sun'	Produces masses of large, 3" diameter, fiery orange-red blooms tipped by a ring of rich flame yellow. Ht. 8-10"
Gentiana 'Blue Cross'	Intense blue violet flowers on a compact durable drought resistant plant. Ht. 10"
Geranium 'Ballerina'	Low-growing mounding geranium with deeply divided foliage, lilac-pink flowers with a dark eye.
Geranium 'Dark Reiter'	Compact form of 'Midnight Reiter - dark purple leaves - lilac-blue flowers over a very long bloom season - best in cooler climates
Geranium 'Midnight Ghost'	Dark purple foliage contrasts nicely with the white flowers that are produced in mid-summer - grows 15 to 18" tall
Geranium 'Rozanne'	One of the longest blooming perennials - wide spreading so needs plenty of room in the garden
Geum 'Totally Tangerine'	The bright apricot to tangerine orange flowers make an outstanding color statement in the garden. Ht. 30"
Grass "Festuca glauca"	Icy, blue grey foliage holding its color nicely throughout the season - best planted en masse
<b>Grass 'Hakonechloa Aureola'</b>	
<b>Grass 'Hakonechloa 'Sunflare'</b>	
Grass 'Karl Foerster'	Stunning vertical effect - feathery stalks emerge reddish-brown and turn yellow in the fall - thrives in wet soils - very hardy
Heliopsis 'Sunstruck'	Big improvement on 'Lorraine Sunshine' - deeper yellow flowers that have more petals - more compact at 14 to 16"
Heliopsis 'Tuscan Gold'	Sunny yellow flowers have golden centers - dark green leaves are mildew resistant - larger flowers than 'Tuscan Sun'
<b>Hellebores 'Golden Lotus'</b>	
<b>Hellebores 'Sparkling Diamond'</b>	
<b>Hellebores 'Tropical Sunset'</b>	
<b>Hellebores 'Vegas Nights'</b>	
Helleborus 'Ivory Prince'	Burgundy-pink buds open to outward facing, ivory blossoms streaked with rose and chartreuse.
<b>Helleborus 'North Star Plum'</b>	
<b>Helleborus 'North Stasr Ruby Heart'</b>	

Helleborus 'Spanish Flare'	3" single light yellow flowers with maroon red flares - a very unusual color pattern for a Lenten Rose - 18 to 24" tall
<b>Hemerocallis 'Night Embers'</b>	
Hemerocallis 'Persian Ruby'	Huge purple red self with a green throat Tet - Dor - EM - 30" - 8" Very showy specimen plant
Hemerocallis Primal Scream'	Very large hot orange showy spider Tet - Dor - ML - 34" - 7.5" Very intense color that glows in the landscape
Hemerocallis 'Ruby Spider'	Large ruby red spider with a gold throat Tet - Dor - E - 34" - 9" Similar to 'Ruby Spider' but orange-red in color
Herniaria 'Sea Foam'	Fabulous, low ground cover with cream-edged, green centered leaves. H 1" W 12"
<b>Heuchera 'Black Forest Cake'</b>	
Heuchera 'Black Pearl'	Blackest of the dark-leaved coral bells - glossy sheen adds to its beauty - white flowers in mid-summer - part shade
Heuchera 'Cherry Truffles'	New leaves are bright red,heavily ruffled and form a low mounding habit - in summer the color persists
Heuchera 'Coco'	Miniature coral bell - tight mound of rounded lobeddark chocolate leaves retaining its color throughout the season - only 6" tall
Heuchera 'Forever Purple'	It's forever purple! Ultra-purple glossy leaves with fluted edges and great vigor. Ht. 15" very popular cultivar
Heuchera 'Lime Marmalade'	Very vigorous cultivar - sport of 'Marmalade' - lime-green frilly leaves
Heuchera 'North Exposure Amber'	New Release - clear, round, amber-yellow leaves forms a dense, medium sized mound - very hardy
Heuchera 'North Exposure 'Red'	Round leaves in clear, dark red adorn the dense,medium sized mounds - greenish-yellow flowers in mid-summer
Heuchera 'Paris'	The best rebloomer. Large, deep rose-pink flowers-Green foliage with silver overlay. Ht. 10"
Heuchera 'Peachberry Ice'	Large 4.5 to 5" apricot-orange leaves have a silver overlay - color is most intense in cooler weather
<b>Heuchera 'Petite Marbled Burgundy"</b>	
Heuchera 'Shimmer'	Deep pink flowers above dense crowns with striking silver-green leaves - very compact selection growing to only 6" tall
Heuchera 'Sugar Berry'	Foliage is violet with dark veins - grows only 6" tall - 10" flower spikes of soft pink - prefers part shade - evergreen foliage
Heuchera 'Timeless Night'	Compact mound of glossy, near black foliage that is topped by a cloud of deep pink flowers
Heuchera 'Twist of Lime'	Incredibly wavy chartreuse yellow leaves - dappled shade or morning sun will keep it from scorching - 14" tall
<b>Heuchera 'Wild Rose'</b>	
Heucherella 'Solar Eclipse'	Leaves of red brown bordered in lime green combined with such a beautiful habit and broadly scalloped leaf edge
<b>Hibiscus 'Mars Maddness'</b>	
<b>Hosta 'Atlantis'</b>	Sport of Abba Dabba Do with wider edges - slightly rippled edges - large specimen plant for the back of the border
<b>Hosta 'Avacado'</b>	
Hosta 'Blue Angel'	Older classic hosta sporting very large blue-green leaves - still very popular due to its large size
Hosta 'Blue Mouse Ears'	Compact border hosta with unique rounded leaves which are grey-green in color
Hosta 'Brother Steffan'	Very thick leaves that are slug resistant - Golden center with a darker green margin
Hosta 'Bulletproof'	Extremely thick blue leaves tha tlook good all season - keep out of direct sunlight to retain the chalky blue color
Hosta 'Captain Kirk'	Attractive sport of Gold Standard with golden center surrounded by dark green edges
<b>Hosta 'Catherine'</b>	
<b>Hosta 'Chain Lightning'</b>	
<b>Hosta 'Color Festival'</b>	

<b>Hosta 'Colored Hulk'</b>	
Hosta 'Curly Fries'	Widely acclaimed for its narrow, ripple gold foliage; Makes an impressive container plant. (M)
Hosta 'Dancing Queen'	Features broad, wedge-shaped leaves of a bright yellow with a rippled edge. Lavender flowers. (L)
Hosta 'Designer Genes'	Best yellow hosta with red petioles on the market - color fades later in the season - attractive red flower scapes - 22"
Hosta 'Diamond Lake'	Proven Winners cultivar - attractive heart-shaped, thick and heavily corrugated blue lvs with a wavy margin -leaves 9"
<b>Hosta 'Dream Queen'</b>	
Hosta 'Earth Angel'	Sport of Blue Angel - Heart-shaped blue/green leaves are bordered by a creamy white margin
Hosta 'Etched Glass'	Sport of 'Stained Glass' with wider margins and thicker leaves - yellow centers with dark green margins - puckering
<b>Hosta 'Funny Mouse'</b>	
Hosta 'Guacamole'	Hosta of the year for 2002 - shiny apple-green leaves margined by a wide dark green edge - fragrant flrs (L)
Hosta 'Guardian Angel'	Very large sport of 'Blue Angel' - ruffled leaves that emerge blue-green with an ivory center
Hosta 'June'	Distinctive mound of shiny leaves with wide,deep green margins and chartreuse centers that turn yellow if grown in more sun
Hosta 'June Spirit'	Round very shiny broad folded leaves with bright yellow centers and apple green edges (S)
Hosta 'Lakeside Banana Bay'	Medium sized hosta 18"x36" - Dark green leaves surrounding a large creamy center - lavender flowers in summer
<b>Hosta 'Lakeside Cupcake'</b>	
<b>Hosta 'Lakeside Little Tuft'</b>	
Hosta 'Lakeside Meter Maid'	Heart shaped leaves with a very wide, wavy green margin. Narrow creamy white markings in the center. 10"
Hosta 'Lakeside Paisley Print'	Impressive sport of 'Sagae' with a wider gold margin - large plant but slower to mature - specimen
Hosta 'Liberty'	Bright gold 5" rounded leaves are deeply cupped and corrugated - heavy substance - low growing mound
<b>Hosta 'Lipstick Blonde'</b>	
Hosta 'Maui Buttercups'	Mouse ear-shaped leaves emerge blue-green with a bright creamy yellow edge - very thick substance
Hosta 'Mighty Mouse'	Flirty, mini hosta that has very wavy, thick, blue-green leaves with creamy yellow margins. (mini)
Hosta 'Mini Skirt'	Huge pointed leaves with wide yellow margins - classic - early to emerge in spring - vase-shaped growth habit
Hosta 'Montana aureo-marginata'	New Miniature - short and narrow yellow leaves which hold their color the entire season - lavender flowers
<b>Hosta 'Moonlight Sonata'</b>	
<b>Hosta 'Orion's Belt'</b>	
Hosta 'Pandora's Box'	Wide white margins surround rich green centers - 23"x50" - fast growth rate
<b>Hosta 'Pathfinder'</b>	
Hosta 'Patriot'	This cute small hosta grows quickly to form a compact clump of chartreuse to yellow cupped leaves. (S)
Hosta 'Praying Hands'	Yellow centered sport of 'Obsession' with very thick rubbery leaves and unique red scapes
Hosta 'Rainbow's End'	Thick gold leaves are surrounded by a dark green margin - pale lavender flowers
<b>Hosta 'Reversed Patriot'</b>	
Hosta 'Sagae'	Sport of 'Church Mouse' - has a clearly defined yellow margin on thick wax-like leaves - small 8"x14" - lavender flwrs
Hosta 'Seducer'	Giant sport of 'Big Daddy' large cupped blue-green leaves with white streaks and margins - white flowers - 40"x24"

<b>Hosta 'Sister Act'</b>	
<b>Hosta 'Snake Eyes'</b>	
<b>Hosta 'Summer Breeze'</b>	
Hosta 'Sun Mouse'	A small sport of 'Rainforest Sunrise' - thick yellow leaves with a wide dark green margin - lavender flowers 12"x28"
Hosta 'Sunset Grooves'	Green leaves 3 ½" long by 2" wide; medium green; rippled; smooth texture; average substance (S-M)
Hosta 'Tootie Mae'	Very attractive sport of 'June' - thick waxy leaves that are held more upright than June
Hosta 'Touch of Class'	Tetraploid sport of 'Paradise Island' with thicker leaves and wider variegation - purple flowers - 15"x24"
<b>Hosta 'Velvet Moon'</b>	
<b>Hosta 'Velvet Moon'</b>	
<b>Hosta 'Victory'</b>	
Hosta 'Volcano Island'	Sport of 'Captain Kirk' that differs by having a white leaf center. Bright white leaves
Hosta 'Whirlwind'	Very unique hosta displaying near white foliage early in the season - foliage eventually turns green with wt stripes
Hosta 'White Feathers'	Bright yellow leaves are very long and thin forming a low wide habit - leaves are more chartreuse green in shade
Hosta 'Fire and Ice'	Succulent-low-growing perennial succulent species more or less creeping, occasionally forming mats - Unique flrs
Huernia 'Zebrina'	Mid to late season, large fragrant white flowers that are heavily veined and stippled - ability to rebloom - Height to 35"
<b>Iris ensata 'Harlequinesque'</b>	
Iris ensata Lion King	Japanese Iris - Graceful large dark-maroon double flowers that are splashed with yellow signals - needs a moist acidic location
Iris Ensata 'Eileen's Dream'	Flowers are periwinkle blue with white edges - 32" tall - need moist conditions to do well -some fragrance - mid summer bloom
Iris germanica aureo. (yellow)	Lavender puple flowers with fade to a soft lilac as they age - falls have white centers and a bright orange beard
Iris germanica 'Oui Madame'	
<b>Iris setosa</b>	
<b>Iris siberica 'Jewelled Crown'</b>	
<b>Iris siberica 'solar Energy'</b>	
Iris sibirica 'Pink Parfait'	Very desirable pink-lavender double blooms on this siberian iris - prefers a moist soil and does well in part shade
<b>Kalanchoe 'Tomentosa'</b>	
<b>Kalanchoe "Luciae"</b>	
Lavandula 'Super Blue'	It's short spikes packed with aromatic, deep blue florets. Blooming June to September. Ht. 12"
Lavendula 'Phenomenal'	Forms a very uniform dense mound of silvery green foliage topped with rich lavender flowers - grows from 24 to 32" flowers
<b>Lavendula 'Sensational'</b>	
Leontopodium 'Edelweiss'	commonly called edelweiss - clumping wooly perennial growing 6" tall and eventually forms a colony
Leucanthemum 'Becky'	Large white daisies with yellow centers bloom in mid summer over shiny dark green foliage - very sturdy stems - 30" tall
Leucanthemum 'Snowcap'	The best of the short daisies - long lasting pure white flowers on top of sturdy dark green foliage maturing at only 16" tall
Lewisia 'Elise Mixed'	Glorious shades of soft and vivid pinks, rose, salmon, white, yellow, orange, soft purple and lovely bicolor pattern
Lewisia 'Elise Ruby Red'	A solid colored reddish-pink lewisia - repeat bloom cycles during the summer - may overwinter if the soil remains dry

Liatris 'Kobold '	Good choice for mid-summer color - 24" flowers are purple - very hardy & easy
Liatris spicata alba	Upright stems, clothed in whorls of fresh green narrow leaves, topped by white fluffy flowers
Ligularia 'Little Rocket'	very compact habit - thick serrated green leaves with yellow flower spikes on dk stems
<b>Ligularia 'Pandora'</b>	
Lilium 'Conca d Oro'	Huge clear yellow with a lighter yellow tips. Very fragrant. Ht. 36-42"
<b>Lilium LA 'Summer Scarlet'</b>	
<b>Lilium LA 'Summer Sky'</b>	
<b>Lilium LA 'Summer Snow'</b>	
<b>Lilium LA' Summer Sun'</b>	
Lilium mart. 'Fairy Morning	Peachy coral flowers - moderate shade to full sun - early summer bloom - 3' tall - clump forming
Lilium mart. 'Snowy Morning'	Vigorous bulb perennial with whorled leaves and racemes of pure white turkscap flowers. Ht. 2'
Lilium martagon 'Claude Shride'	Dark red-mahogany flowers carry their color in the spots that peak through the orange of the flower centers.
<b>Lilium martagon 'Golden Morning'</b>	
<b>Lilium oriental 'Tarrango'</b>	
<b>Lilium 'Tiny Diamond'</b>	
Lilium 'Tiny Ghost'	Bold burgundy trumpet-shaped flowers with plum purple throats at the ends of the stems in summer
Lilium 'Tiny Padhye'	White with burgundy brush marks, spectacular color contrast. Ht. 16-18"
<b>Lilium 'Touchstone'</b>	
Lillium martagon 'Arabian Knight'	Pendant, deep russet-red Turk's Cap flowers with rich golden brushmarks overlaid with mahogany-red
Lillium martagon 'Pink Morning'	Light pink pedulant flowers appear in June - prefers afternoon shade - clumps form after several seasons
Lillium martagon 'Sunny Morning	Hybrid with its racemes elegantly covered with bountiful golden-orange blossoms-dark spots
Lillium martagon 'Terrace City'	A seldom offered lily - speckled yellow flowers with orange spots - up to 20 flowers per stalk - best in morning sun
Lily martagon 'Sunny Morning'	Pendant bright yellow turk's cap flowers with brick red markings - best grown in shade or filtered sun
Lily OT Tabledance	Large, upright, showy pink buds that open to large pink flowers with white centers. It is very fragrant- 40" tall
Lily 'Sunny Martinique'	Attractive dark green foliage - with xtra large dark pink flowers with a white margin - oriental lily - fragrant
Lily 'Tiny Double You'	Large, upfacing double orange flowers. This dwarf perennial grows 14 inches tall and prefers full sun
<b>Lobelia 'Fan Scarlet'</b>	
Lupine mini Gallery Mx	A very compact lupine with a mixture of colors - grows best in lighter sandy soils
Lychnis ark. 'Orange Gnome'	Dwarf 8" bronze foliage - intense bright orange flowers - long bloom season - slow to emerge in spring
Lysmachia (gold moneywort)	Showy groundcover for sun or shade - tends to be more yellow in sunlight - somewhat aggressive
Monarda 'Cherry Pop'	Vigorous but not invasive monarda for the center of the border - mildew resistance - cherry red flowers - 20" tall
Monarda 'Fireball'	Blooms in mid-summer with compact spikes of bright, scalet red flowers - aromatic glossy green foliage - to 20" tall
Monarda 'Grape Gumball'	Same characteristics as 'Cherry Pop' but with vibrant magenta flowers - long bloom season - 20 to 24" tall
Monarda 'Pardon My Cerise'	Proven Winner - Compact bee balm with dark cherry pink flowers blooming during the heat of summer. 16"

Mukgenia 'Nova Flame'	A hybrid cross between mukdenia and bergenia - dark thick, glossy leaves turning reddish bronze in the fall - pink flowers
Nepeta 'Cat's Pajamas'	A small scale, early blooming nepeta - ball-shaped foliage is covered with long dark flower stems & blue flowers
Oenothera tetra fruticosa	Native perennial - day flowering - small yellow butter-cup flowers 1.5' tall
Pachysandra terminalis	Shrubby evergreen groundcover which grows 8 to 12" high - spreads by rhizomes - green glossy leaves -white flowers
Paeonia 'Fairy Princess'	This is a compact 22" tall hybrid which does not fall down in the rain - flowers are bright red with bright yellow stamens
Paeonia 'Petite Princess'	Diminutive peony with lavender-rose single blossoms - fine textured blue-green foliage - very early bloom time - only 18" tall
Paeonia 'Show Opener'	One of the first to bloom in spring - very bright true red flowers - the center has golden stamens and red tipped stigmas - 18"
Pap Princess Victoria Louise'	Similar to 'Brilliant' but flowers are a soft salmon pink in color - blossoms are a favorite of hummingbirds and butterflies - 24"
Papaver 'Crimson Red'	Red flowered oriental poppy - best grown in rich soils in full sun - cut back foliage after bloom
Papaver 'Royal Wedding'	Large pure white flowers in late spring - centers are an attractive purple-black - 30" tall - cut back yellowing foliage
Pardancanda 'Dazzler Mixed'	
Pardancanda 'Dazzler Series'	Dwarf strain with swordlike foliage produces 1 1/2 flowers in rich hues of yellow, orange, red, pink&lavender
<b>Penstemon 'Dark Towers'</b>	
Peony 'Early Bird'	A very early single red hybrid peony - flowers are very dark scarlet red with finely cut olive green foliage - dwarf variety
Peony 'Early Scout'	One of the earliest hybrid peonies to bloom - crimson single flowers are produced on attractive fern-like foliage
Peony 'America'	
Peony 'Bartzella'	Spectacular cross of a herbaceous and tree peony - incredible large yellow flowers on sturdy stems - specimen plant
<b>Peony 'Chojuraku'</b>	
Peony 'Fairy Princess'	This is a compact 22" tall hybrid which does not fall down in the rain - flowers are bright red with bright yellow stamens
Peony 'Hanikiso'	Tree peony - Huge double pink flowers - grows to 4' tall - hardy to zone 4
Peony 'High Noon'	Tree peony - Huge yellow flowers - grows to 4' tall - hardy to zone 4
<b>Peony 'High Noon'</b>	
Peony 'Houki'	Tree Peony - Large double red flowers - woody shrub to 4' tall - hardy to zone 4
Peony 'Red Charm'	Early, huge double red, bomb type flowers have heavily ruffled centers - strong stems but staking is recommended
Peony 'Renkaku' white	Large woody stems produce very large white flowers - no support is necessary due to the strong woody stems - 4'
<b>Peony 'Shimanishiki'</b>	
Peony 'Show Opener'	Dwarf rockgarden peony - bright red single petal ed flowers bloom early in the season prior to main peony season
Peony tenuifolia Rubra Plena	This is the famous and highly ornamental Japanese fern leaf peony - very fine foliage with double red blooms in May
<b>Perovskia 'Blue Jean Baby'</b>	
<b>Phlox 'Cherry Crush'</b>	
<b>Phlox 'Flame Coral'</b>	
<b>Phlox 'Flame Coral'</b>	
<b>Phlox 'Flame Coral Imp.'</b>	
Phlox 'Fort Hill'	Creeping phlox - very early bloom - slightly fragrant pink flowers with a dark red center

Phlox Luminary Opulescence	aromatic pink flowers with dark pink eyes on dark green folige - 30" tsll - long blooming and long lived perennial
Phlox Opalescence	30" tall -mildew resistant - lavender purple flowers with a white star center - strong stems
Phlox pan. 'Laura'	aromatic pink flowers with dark pink eyes on dark green folige - 30" tsll - long blooming and long lived perennial
Phlox 'Red Riding Hood'	Vivid clusters of fragrant, cherry red flowers - compact variety which attracts butterflies and hummingbirds
Phlox 'Younique Orange'	Large blossoms over compact, dwarf foliage - salmon orange blooms in mid-summer
Platycodon 'Pop Star Blue'	Plants have large, puffy buds resembling balloons that open to bell-shaped flowers - very long bloom time - late emergence
Platycodon 'Pop Star Pink'	Similar characteristics to 'Pop Star Blue' but flowers are a soft pink - compact plants in this series only grow from 6 to 8 inches
Polygonatum fal. variegated	Slow clumping woodland plant with showy variegated foliage and white flowers in early summer
Pulmonaria 'Moonshine'	Shimmering silver leaves feature neat dark green edges early on, then become prettily speckled with green
Pulsatilla vulgaris	Large purple bell-shaped flowers and fine cut lacy foliage. Ht. 10" - Seed heads are very ornamental
Pulsatilla vulgaris rubra	Lacy foliage with deep wine-red flowers blooming very early in the season -seed heads remain attractive after bloom
<b>Rodgersia 'Superba'</b>	
Rosa 'Parade Karina'	Compact miniature rose growing to only 10" - large deep red flowers which will repeat during the growing season - zone 5
Rosa 'Parade Cho'	Compact miniature rose growing to only 10" - double deep yellow flowers repeat during the growing season - zone 5
<b>Rose 'Miniature Feline'</b>	
<b>Rose 'Miniature Milla'</b>	
Rudbeckia 'Little Goldstar'	A dome of star-shaped, 2", golden yellow blossoms. Bushy clump of rich green foliage. Ht 16"
Sagina subulata (Irish Moss)	Green leaf form of Corsican pearlwort - best with moisture in shady conditions - center may die out over the winter
Sagina subulata aurea	Golden form of Corsican pearlwort - prefers moist shade or partial shade conditions - center may die out over winter
Salvia 'Blue Marvel'	Largest flowers of any nemorosa variety - large spikes of deep blue flowers - compact and long blooming - 10 to 12"
<b>Salvia 'Bumbleberry'</b>	
<b>Salvia 'Caramia'</b>	
Salvia nemorosa 'Caradonna'	Very unique purple stems compliment the violet blue flowers - grows to 24" tall
Salvia 'Rose Marvel'	Largest pink flowers of any pink salvia - deep rose blooms in early summer - cut back after bloom to encourage re-bloom - 12"
Sedum 'Atlantis'	Beaufifully variegated groundcover sedum - small, serrated leaves are dark green with a wide creamy yellow margin
Sedum 'Autumn Charm'	A variegated form of the famous 'Autumn Joy' - redish pink flowers in the fall - variegation is very stable
<b>Sedum 'Back in Black'</b>	
Sedum 'Chocolate Ball'	Short mounding sedum with Chocolate-red foliage is feathery and contrasts dramatically with the yellow bloom.
Sedum 'Dream Dazzler'	Colorful tri-colored leaves emerge in spring with centers turning purple in summer sun - 15" tall
Sedum John Creech	The small, scalloped green leaves of this weed-smothering groundcover are topped with pink flowers in fall.
Sedum 'Little Miss Sunshine'	Groudcover type of sedum - incredibly dark green glossy foliage with tiny yellow flowers in summer - 6 to 8" tall
<b>Sedum 'Mediovariegatum'</b>	
Sedum 'Mini Ewersii'	Nice compact groundcover sedum with blue to reddish-bronze foliage to 6"
Sedum nevii	Tropical sedum - zone 10 - low carpet of thick, silvery grey leaves blushed with bronze during the summer

Sedum 'Ogon'	Tiny leafed sedum, noted it for its bright gold foliage. Star-like yellow green flowers in summer. Ht. 2" <b>not hardy</b>
<b>Sedum "Plum Dazzled"</b>	
Sedum 'Red Carpet'	Valued for its dense, ground hugging carpet of red foliage turns a deeper shade of red in cool weather -pink blossoms
Sedum rubrotinctum 'Mini Me'	Succulent- very short leaves resembling jelly beans that turn from green to bronze under stressful conditions - z9
<b>Sedum sieboldii</b>	
<b>Sedum 'sieboldii 'Variegatum'</b>	
Sedum 'Thundercloud'	Gray-green foliage has pointy edges and nicely textured. Blooms are white to soft pink, star-like bursts. 10"
Sedum 'Tokoyo Sun'	Fine, bright gold foliage with prostrate habit. A must have for the trough garden. Ht. 2" - <b>tender succulent</b>
Sedum 'Wildfire'	Ruby-red petals edged in hot pink - late summer blooms are pink - more sun will produce brighter foliage
Sempervivum 'Oddity'	Very unique "hen and chick" that has tubular leaves - hardy but keep dry in the winter - red edge in cooler weather
Sempervivums	We offer over 25 different cultivars - especially showy during the cool season - keep dry
Sisyrinchium 'Lucerne'	Narrow iris-like mound of foliage is topped with violet-blue flowers with a yellow throat - grows to 8" tall
Spirea 'Golden Elf'	Most compact of all the yellow foliaged spireas - grows only 6 to 8" tall - great miniature landscape plant - zone 4
Stachys 'Densiflorus'	Very dense, compact rosettes of glossy green foliage show off the lavender-pink flower spikes. Ht. 10"
Stachys 'Hummelo'	Sturdy spikes of lavender flowers shoot up from the foliage on tall stalks to 20" tall
Thymus Minus	Pours itself between rocks and other plants to form a tight rug of small overlapping gray-green leaves. Pink flower
Thymus pseudolanuginosus	(aka wooly thyme) Soft fuzzy gray-green leaves that are very aromatic - pink flowers in summer - 1" tall
Thymus pseudolanuginosus	(aka wooly thyme) Soft fuzzy gray-green leaves that are very aromatic - pink flowers in summer - 1" tall
Tiarella 'Sugar and Spice'	Glossy deeply dissected leaves with dark centers - pink and white flowers - 13" tall
Tricyrtis 'Samurai'	Luminous foliage of shiny lance shaped dark green leaves with golden yellow margins - purple flowers appear late in the season
Trollius 'Golden Queen'	Produces 3" wide golden-orange bowl shaped flowers in early summer - dark green foliage - best in moist soils - sun or pt shade
